“ Dear Renee` and family, so sorry to hear of the passing of your mom. I will always remember the times we spent at your house in Jr and sr high. The sleepovers at your house were epic! And Char was always there to corral all of us and keep us safe.! I will always remember her laughter. Thank you for sharing your mom with us!. Thinking of all of you, Lu Ann Nickerson

“ I only knew Char for a short wonderful time. Char always had a smile and was so friendly. Our rides together were most enjoyable. She really liked reading the sights and telling me I was going to wrong way !! I will miss our days spent together. Miss you Char

“ Charlotte made the best Cinnamon rolls in the world. She would make a pan when we visited because she knew we loved them. Sad to say, she didn't have many left when we left. I mean, we didn't know when we would have them again, so we had our fill for sure. She also hosted ceramics classes at her house. My mom loved going to those things. They evidently laughed a lot when they were there. She was very special and will be missed soooo much.

“ Char asked me to make bars for a memorial service when I lived with her in 1983. The recipe seemed pretty normal, except for the addition of coffee ... ☕ I was unfamiliar with baking, but I followed the recipe closely. I added five tablespoons of ground coffee.... In the frosting 🍰, and found out later, it called for “brewed” . Auntie Char laughed so hard when she saw what I had done. We picked coffee grounds out of our teeth for days 🤢
