“ *To the family of Dave and Charlotte Bayer,*

*I am the youngest of Gertrude and Paul Fenske. I live in Vancouver, Washington. We moved here three years ago. Dave and Charlotte were wonderful people. They were always full of fun and love to our family. Dave always had a joke to say. Charlotte was always gracious to us. We had a luncheon at their home with other cousins. Charlotte shared, Grandma Koosman's wedding dress. We shared lots of memories that day. We have so many cousins that we do not see, but would love to meet. If you come to Oregon, we are just over the bridge. Our address is:  
15912 S. E. 29th  
Vancouver, Wa. 98683.*

*God bless all of you,  
Ed and Margaret Hubbard*
