“ Aunt Charlotte - I miss you so much. I have such great memories of you when I was growing up, and more recently, enjoyed our phone calls when we shared and discussed the books we were reading, talked about those Minnesota Twins, and over the last year, held our weekly phone trivia challenges to keep us from going crazy during the pandemic. You were my role model for a kind, enthusiastic, non-judgmental, caring and loving aunt. I love you and will keep you in my heart forever.
