“ I was so fortunate to get to know Charlotte a few years ago. Charlotte was a woman of quiet strength, great wisdom, humor, and unfailing kindness. She will always be a role model for me. My condolences to her family, whom she loved so dearly.

“ I have so many wonderful memories of Charlotte; her sweet, gentle smile, her soft, white hair, her superb baking skills! Whenever she and Edward came to visit, you could count on them bringing scrumptious baked goodies and freshly-churned ice cream in an insulated, padded container! A very special lady has left us to become a guardian angel above.
