Oh my gosh, Joe! Of course I remember my very first teacher "neighbor." It is hard to lose a parent; I appreciate your warm thoughts. Mom would laugh to learn she has all the answers now. Of course we, as her children, always thought WE knew everything!

Patty, I'm so sorry to hear of your mom's death! Charlotte was such a dear lady & a good teacher friend. Charlotte was a Title 1 Teacher like me. And I appreciated getting to know you, Patty when we were at Woodland Elem. May you and your family find comfort & peace in the loving arms of Jesus. My thoughts & prayers are with you & yours.

Sandy, it's so nice to hear from you! Mom enjoyed teaching Title I with you and the rest of the Title I teachers. Thank you for your warm wishes and prayers. They mean a lot to me. I think we were at Glacier Hills together. Or was it Oak Ridge? Those 2 schools are the only Eagan schools I can claim. I've taught in many different grades over the years, but not too many schools.

Susan, David, Martha, Patty—please accept my sincerest condolences on the passing of your mother and belatedly your father. I have such good memories of your parents connected to high school soccer and the times I visited your house. They were always sweet and welcoming. Definitely remember your family's love of animals.
