“ Char was one of the first admins I met when I joined as an admin at Onan in 92.... She was my go to guru as I learned the ropes. Her beautiful smile and warm welcomes always appreciated. Recently retired I discovered she has continued to be the “go to guru” for so many retirees since her own retirement. She will be greatly missed. My condolences to her family and many dear friends.

“ We were neighbors of Char for many years. We have great memories of her of her wonderful laugh, her love of her family, friends, & cat Tigger. And her great support of Ready for Success. She will be missed by many!

“ I worked at Onan Corp for 20 years, and I believe Char was already working there when I started in 1973. Several years after I left the company, I donated some clothing to Dress for Success, and when I walked in the door, there was Char! It was then I learned more about this wonderful non-profit, and the work she was doing. My condolences to the family. Virginia Becker
