Charlotte was dear to me, and I wish I was able to attend in person. In these difficult times, it is a comfort to be able to watch this, see all of you at least on video, and remember the many good times we shared. Bless you all and thank you, Aunt Char. -Tom Jackson

Char or Grandma Char as I called her, was an amazing women. I was always fascinated with how she lived her life. She was so full of energy and you could feel her when she walked into a room. I remember singing with her everywhere we went. There was never a time when she didn't want to see one of our "hit shows" that we would create. She would cheer us on and always make us feel special. Thank you for loving me from the beginning Grandma Char. You truly were one of a kind.

Char was a dedicated City of Lakes Sweet Adeline. She painted coffee mugs with our show themes and gave them to me. They are treasured memories. We all have an amusing memory of Char of when I would say "you can record this run-thru" and she would press the "play" button instead of the "record" button. It was a pleasure to have had her in my chorus.

My sincere sympathy to all of you. Mary Dick, retired director of City of Lakes
