“ I am just seeing this today and my heart breaks for your family. I had no idea. I had the privilege of knowing Cheri and seeing her compassion for others - even a stranger - was extraordinary and so Christ like. She was always smiling and expecting God to work. She clearly loved Jesus and that affected all she did and who she was. She listened, cared and prayed over anyone who crossed her path. The last time I saw her was in the skyway downtown - both of us were taking a quick lunch break from work and randomly ran into each other. We hugged, laughed, cried, shared and prayed together all in a half hour. She had such a beautiful heart and touched so many people with the Love of her Savior. I look forward to seeing you again my friend as we worship the King in His presence. A life well lived Cheri.

“ She was beautiful inside and out, she loved so many, especially her Savior Jesus Christ!
My first Outreach days were spent with Cheri. Every Friday we met at Frontier Fellowship to do outreach to the Eastside Community. Memories I will never forget! See you in our real home Cheri, oh, what a day of rejoicing that will be!
