“ Cheryl was an amazing person; wife, mother, grandmother, daughter, sister, aunt, stepdaughter. It is so difficult to express how thankful I am that she came into my life when I married her father; she was so much like him: confident, determined, fearless, brave, intelligent, and so many other things. She will be missed by all who knew and loved her and her spirit will be carried on in memories by all who knew and loved her. RIP sweet lady.
