“ George, Joyce and Georgia,
We are So Sorry about your loss of Cheri. It's such a hard time, as I told you, it's just not fair to lose an adult child. It's not the natural order of things, and I always wonder WHY? There has to be a purpose, but we won't have the answers we want until we get there ourselves. Until then, I guess we just have to trust that there is a good reason. (have faith). Easier said than done. Just know that we're thinking of you all.
Love to you all,
Lisa and Tim

“ We selected a white candle as it is the new color for Alzheimer's presenting Hope fir a cure for this horrible disease. Cheri was a very special part of our family and her life was taken way too early. Please know we are thinking of all of you and praying for all of you! Her smile and our memories we share will stay in our hearts forever. Knowing she is pain free and not suffering provides us peace during this time of sorrow. She will be missed dearly. Sending our love to all of you!

“ Cheryl will be missed by family and friends. Our deepest sympathy to her family. Her son, Tyler, and his family display so well the signs of a mother's love. Tyler is our nephew by marriage. He is a gem thanks to a mother's love. Sympathy to all.

“ We have so enjoyed Cheri as our daughter. She kept us on our toes with all her new adventures, friends, and use of talents. We will dearly miss hearing her MOM. DAD when we would come to visit her at Johanna Shores. The time here was too short, but she is now at peace. She is probably redecorating something already. Be peaceful , you will always be our "Little girl". Love Mom and Dad
