“ *My deepest sympathies to all the Selinsky family and especially to Candy, Chris, Curt and Caryn, as I have so many fond memories of the times we spent together!*

*Cheryl was such a good-hearted person with a great sense of humor. She and my mom presided over all our traipsing around the swamp, building the big tree house in the oak tree, and roaming the woods. We had great times playing together and the Selinsky family introduced our family to camping! So glad that we did that together. Remember the hiking, swimming, racoons and snipe hunts at Itaska State Park? Cheryl also introduced our family to tacos-- random memory--lol!*

*She and my Mom were such good friends and shared many a cup of coffee and glass of iced tea.*

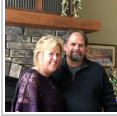

*I pray that you are comforted by your memories of her and the hope of eternal life in Christ Jesus.*

*Sending condolences and many hugs!*

*Julie - Thank you for sharing all these memories and thank you for your condolences. There was a lot of fun growing up on Kell Ave and the fun camping trips. We have told the story of snipe hunting many times. My Mom was the camping buff and she spent many days preparing for the trip and all the days putting everything away when we got home.

“ Cheryl lived not far from where I worked and I kept a packed bag in my trunk to spend the night with her when the weather was bad. Did that many nights in snowy MN and so appreciated it. We also travelled together on European trips with many good experiences. Our children had alot in common..cousins, and all and close in age. Again, many good times. A sad time when her brother John (my husband) passed in 1995. A time to reflect on times passed. Rest in peace.

Love, Bonnie
