“ *In the past few months, Karen, your name and that of Chet have come to me more often than they have for years. I believe that was the time for prayer. I simply brought your names before the Lord - and He is good. I certainly enjoyed listening to you both and being part of the music when we were at Rejoice. Blessings to you now and forever. “ *Karen and family. Sharron and I are blessed beyond measure to have you and Chet in our lives. Chet touched the lives of anyone who came in contact with him!!! Thinking of him meeting Jesus face to face and joining that angel choir and band! He is in his ultimate element!! Oh Chet we will see you soon.*

“ Dear Karen and Family,

Our deepest heartfelt sympathies to each of you at this very difficult time.

We have such fond memories of Chet, performing music with him, visiting and talking about our favorite musicians, partaking in recording sessions in which he was producing and engineering. Chet had such a keen ability to make his recordings come to life. I (Ken), learned so much from just listening to his masterful work and how he placed instruments so nicely in the mix, and his special touches with reverbs, etc. Also, his guitar playing and vocal talent was awesome! He truly was gifted by our awesome God!

Karen, the music that you and Chet made together is absolutely beautiful and it will continue to bless others for a lifetime! Both of your devotion to evangelism work through the power of the Holy Spirit, changed peoples lives forever! Praise God!

May God comfort you, your family and those who are mourning with His infinite peace. Chet is alive and well in Heaven!

*In His service,
Ken & Darlene Nelson*

In Christ Jesus' name. Amen.

*Karen, Kim & Family-
A sad time for everyone who knew Chet. Great memories of making music with him in the late 60's & 70's. He was a strong Christian with a powerful witness. Someday we'll met in Glory & PTL.*

Dearest Karen& family: Your life and mine run a close parallel. Becky share with me that Chet had gone to be with Jesus. For the time we attended Lowell & Connies Church we were blessed to hear your music. Tomorrow i will visit Boyd, my hubby to celebrate his 93rd BD. I will share the news with him. We crossed paths at Crowne Pointe Church and i have been following most of your posts. i hope we can get together in the future and talk about your wonderful husband. Maxine Taylor & Boyd. Our deepest condolences.

My sincere condolences to you, Karen, and all of the family. I was blessed to get to know you both through MN Gospel Opry which was such a blessing to me and many. May you find comfort in beautiful memories and in knowing he is with the Lord singing and playing around the throne waiting for you and all loved ones to join him.
