“ I am so sorry for your loss and want to assure you of my prayers. Chris's spirit will live on in your hearts and the love she shared with you here on earth has created a bond that is eternal. May that love ease your pain and dispel the darkness of your grief. Keep her always close by sharing memories and stories and listen to her speaking to you from her heavenly home. She remains with you in a new way. I pray you discover her abiding presence many times through tears and laughter, sorrow and joy, prayer and reflection. She is at peace. May you come to know that peace.

God Bless.
