Regina Class of '78 sends our condolences to Christina's family. She was such a bright light and what a great Scottish dancer! So glad we reconnected at our 40th reunion. RIP

MM

That's how I will remember her too!

Marie Mayhew - March 24, 2020 at 03:29 PM

JG

That's how I remember her from Holy Name. So sorry for your loss.

Vanessa Coldwater

Her family is in my thoughts and prayers. I am told that she was the first female member of Brian Boru Irish Pipe Band, and the band's bylaws needed to be changed to allow her to join. Much love and respect from another tenor!
