My mom was truly an incredible, hardworking, funny, caring woman. Her family was everything to her. My fondest memories of her were all about her go, go, going all the time. Always something to be done! She was still working and was only "still thinking " about retiring. Her job at Cub Foods in Blaine brought her alot of joy. She had wonderful co- workers and so many regular customers that she enjoyed chatting with.

I'm truly hoping that anyone who knew her will come to her service on Saturday and relate to me their encounters with my mom. May she forever rest in peace with her loved ones gone before her.

We were one of her regular customers and always tried to get in her lane at CUB. We traded jigsaw puzzles with her and Pam and it is certain we will never go thru the checkout line without thinking of her God bless her and your whole family
