“ *She welcomed me into the family and became my friend. She was a warm and generous person and a wonderful sister-in-law. My favorite memory was playing penny poker with her, Mom and Dad and the Aunts and Uncles on Friday nights at the Hyacinth house. Corey and my kids (Laura, Jason and Tony) playing in the basement. Good times.*

*She was the most influential person in my life. And we were best friends. She was always there for me, even when I wasn't always there for her.*
