What a shock to hear of Chris' passing, just when you were planning your dream move to Sarasota. There is nothing that I can say that adequately expresses Betty's and my heartfelt sympathy for you and the rest of Chris' family. We hope that the love from family and wonderful memories of your global adventures with Chris help you thru these very difficult times. Please know that we care. “ My heart weighs heavy at the loss of our Lodge Brother and great friend. Chris will be deeply missed not for what he did ,but how he he did it. He did so much with kindness and generosity ,seeking nothing in return. I learned how to be humble from one of the great teachers. My last moment with Chris is unforgettable, as he placed his hand on my shoulder the other in a well known grip, sharing a great moment and laugh together . We knew it would be one of the last times we would see each other. A goodbye of a diffrent sort that has now changed to one of a much deeper meaning. I am luckily to have known such a great man.
