“ So sorry to hear of Chris' passing today. I was chatting with an former TK Gray employee who told me about his passing. I grew up in the neighborhood with the Godbouts and Chris, what a great family! I'm sorry that I missed the funeral service. You have our heart felt condolences. Howie & Shery Clark

“ To Chris' entire family, I am so sorry to hear of Chris' passing. We worked together for many years and knew each other for several years before. Not only was he one of the kindest people I worked with, but he was a dependable rock in our business. Even though we had no direct skin in the game, he treated his role to the customers as it was his own business. Fun guy, teddy bear and such a nice person. For no good reason I am still working part-time and cannot make the service, but I just wanted you all to know that you are in my thoughts and prayers. I don't want it to be lost that I worked with both Dave's too, and have the equally good thoughts about both. What a nice family!!

Kind regards,
