“ *Our thoughts are with you at Clair's passing. Clair was always good to me as an employer, he took care of his workers. It was good when he would come down to visit City Drug and have a meal of meatloaf. We will always remember him.*

“ *Jonathan & Erik,*
Our thoughts and prayers are with you. We have many good memories of Clair from visits to the drugstore, to the farm and his phone calls. Will always remember his heads up words "I'll call back at 9:00." Will always have Clair's memories with us and share his stories.
