“ *When taking my photo for our high school yearbook, Mr. Peterson told me that instead of a serious expression, to smile. He was a nice man and very patient with us. My thoughts and prayers go out to his family. Wynne (Widlund) Aldana*

“ *Been many years since we played on Colgate and used our sleds in the alley behind your house during the long, cold winters of the 50's and 60's.. Still remember Jeff faking an injury at Southwest high school to give the coach an extra timeout during a football game.. My condolences on your loss. Steve Bethke*
