“ I love my papa so much and I will miss him! With that said, the one thing I will always love about my papa is that he had a nickname for everyone he met. No one was exempt from getting a special nickname, courtesy of my dad. If you were one of the many to receive a nickname from my dad please feel free to share your name and nickname on this page. I would love to know some of the names out there that he gave to his friends and family
