“ Hey Cousin I miss you so so so much! I would have never dreamed that the last time we talked would be are last. I am going to truly miss your tall stature and beautiful brown skin. Its not a day go bye that i dont think of you! You are such a great with a streak of stubbornness. Yoy was never afraid to fight for what you believed in and I always admired ypu fot that. But what i know is that i will see you again in heaven. I love ypu and i know ypi loved me back. I so wish we had more time to spend together. But the times we have shared have a special place in my heart. I love you Clarence. You are such a amazing person and always remember i loved you just the way you was. I love i love you with tears and a broken heart. We have lost one of our own. My heart is broken but i know you are in heaven and you know the tears i cry. I love u and my heart is broken.
