“ I loved your mom, Clarice! And I have missed her since she left SummerWood.  
She was so much fun to do things with, always lots of laughs. One time when we took the bus on a trip she saw a sweater in my cart & liked it. She went to the area, found the sweater & purchased it. We had so much fun planning when we would wear them and be twins. My husband, Terry was also her buddy. Clarice would coach him on things to do, not always proper things! He passed away 8 months ago.  
I am purchasing a small tree to be planted here at Summerwood in her memory.  
I loved her dearly. ❤️
