“ My mom is on the 3rd floor and everytime I would visit or anyone for that matter Clarice was there with a greeting and a smile. One afternoon my brother and myself with our mom and my boyfriend were just outside the door and she came and jioned us . We had the best time listening to her funny jokes and one liners she was the star of the party. I will miss her dearly and my thoughts and preyers go to your family.

Sincerly, Molly Stende

I was SO sad to hear of Clarice passing on the way to say my final goodbye to grandpa. It was a hard day for us all. Im thankful knowing that grandpa had a good friends hand to hold on the way to heaven! May all of the wonderful memories you have of this beautiful lady comfort you in the days and months to come. I know for a fact she touched the lives of many many people 🙏

“ Clarice has been a "special" resident of Camilia Rose! She greeted everyone with, "Oh I love you." And of course in return we would all say, "I love you too Clarice." She will be greatly missed, but fondly remembered!
Love,
