“ We miss our grandma very much! We know she's happier now and that God must have wanted/needed her more in heaven than we do here. We will always remember her and the great times we had with her.

*Thank you to everyone for everything you've given and done for us. It means a lot.*

“ To the entire Schuster family,  
Please accept my condolences on your loss. It is difficult to understand why we lose people we care about but certain matters are out of our hands. Cherish your memories of her and keep her close to your hearts. I hope to stop by on Friday to offer my support in person.
