“ *Cleo was one of my best friends for 15 years. We did so many things together but most of all we put parties on so she could show her talent of her beautiful voice. I will miss her forever.*

*Cleo, you were such an amazing friend. I wish I could have gotten to know you better. But having you inducted into the South Dakota Country Music Hall of Fame was my tribute to you. Keep singing so pretty in heaven. Will meet again my friend.*

“ *Many wonderful memories with Cleo playing with her band at Louie's and the many road trips. I also enjoyed all the birthday parties in Hayward after her retirement. Cleo was truly a one of a kind lady who enjoyed singing and entertaining for all her many fans.*
