“ Mr Severson was my teacher at Lincoln in about 1975 - he was great - so patient and someone I really enjoyed. I learned so much. I also interfaced with him because I was active in girls' sports and he was a boys' coach. My sincere and heartfelt sympathies to you all - he touched more lives than you (or he) probably realize. Prayers and peace...Christina "Tina Pieper" Bigelow LHS '76

dad never coached any sport. other than do his social studies classes, he didn't do anything other than work the score board for football games. you've mistaken him for someone else.
