“ To Cliff's Family, I remember so well your parents bringing you to Lucan to visit Grandma and Grandpa Dudgeon. For some reason I have a vivid memory of Maureen and I sitting at the top of our back stairs behind the locker reading books. The locker is gone now, replaced by a new building, but Grandma and Grandpa's house is still there and for a short while a great granddaughter and her family lived there! Aunt Jolene Fujan called to let me know Cliff had died and I have let my Dad (Jack) and my 5 brothers and sisters know. I am sorry I cannot be with you to celebrate Cliff's life and join you in prayer, but be assured of my prayers that Cliff can rest in peace, especially with Agnes.
