Greg was my next-door neighbor and best friend when we were kids. Cliff was one of the only dads coming across the street to Lamb Park and hit baseballs for us to chase down when we didn't have enough kids to make a baseball game. Even as a kid, I thought of Cliff Weise as a good man and a good dad. Rest in peace Cliff.

“ *Cliff was the best father-in-law anyone could hope for. He was gentle, kind, funny and giving. I never fully expressed my gratitude to him for all the help he (along with Laverne) gave us as a young, newly-married couple all those years ago. He set a good example of living a good life for all of us that follow him. We can only honor him by attempting to live up to his example.*

I love those pictures - they show the goofy side that we loved, and that he didn't show to the world very often.
