“ My sweet baby - how do I even begin to share all our memories? Everyone of them made me who I am. I'm so heartbroken Cody, I have no idea how to even pick up and move on. I know I have to do it for Dave, Carly and Camden but you always needed me more and I feel so guilty that I wasn't there for you enough; I'm so sorry I let you down when you needed me. I'm sorry for all I did and didn't do. I hope you now know how much I do love you and always did and always will. And I always and only wanted to the best for you. I wish I would have just taken you to your grandma's that day; you would still be here. I'm so sorry for letting you down. Enjoy all of heaven, for you deserve it more than anyone. I love more than words can even say.
