“ How do you describe a cousin who was special. He was enjoyable to visit with and I always had a great time when he visited or when my family visited his family. He was one of the few cousins that lived in a different state and we didn't get to see enough of him. He was kind, had a great sense of humor, and easy to talk to. When I think of Cole, I will remember his laugh. I'm planting a tree in his honor this spring. Rest in peace, cuz!

“ Nothing but sweet memories of you my D Friend. Especially the pack of wild dogs that scared the neighbors.

“ We will never forget being on the same transatlantic cruise from Miami to England with Liz and Cole. We had so much fun that week, playing Mexican Train, dinners together, and listening to a fabulous guitar player who played after dinner. We were all very lucky that we had Cole in our lives.
