

Colin B Jacobson

September 29, 1961 - July 6, 2025

Colin Bendik Jacobson September 29, 1961 - July 6th 2025

With heavy hearts, we announce the passing of Colin Bendik Jacobson, a loving father, beloved brother, and kind soul, who left us far too soon at the age of 63.

Colin was born on September 29, 1961, in Fort Belvoir, Virginia to a proud military family. His early years took him across the world from Virginia, Japan, Minnesota and Texas. He completed high school in Morris, Minnesota, and later graduated from college in Corpus Christi, Texas with a Bachelor's degree in Business Management. Colin proudly served his country for 25 years in the U.S. Army Reserves, carrying on his family's tradition of service. He continued to serve his country later in life by supporting his fellow Veterans at the VA Medical Center in Minneapolis and St Cloud for the last 16 years of his professional life. Colin is survived by his three children: Benjamin (Niko) Jacobson-Chavarria of New York, NY; Samantha (Mike) Jacobson of Richfield, MN; and Julia (Jarrett) Gardner of St. Louis Park, MN. Colin is also survived by his four siblings: Chris, Claudie, Cathy, and Craig.

He will be deeply missed by all who knew and loved him. Though his death was sudden and heartbreaking, his legacy of love, compassion & patience will live on in our hearts forever.

A memorial service will be held on Sunday, August 24th, 2025, at 1pm, at Laurel Hills East Fireside Room located at 5901 Laurel Avenue, Golden Valley 55416. All are welcome.

In lieu of flowers, please consider a donation to Open Circle Adult Day

“ When Colin moved to Morris, one of the things he brought with him was the album Abby Road by the Beatles. I had never heard the album before. And I loved Abby Road from the first time Colin played it for me. And Colin let me play that album again and again and again.

I still listen to Abby Road. It's been a timeless gift for me. And I've often thought of Colin when I listen to Abby Road. And I wonder how he is. I suspect it will always be that way for me. I'm grateful to have known Colin.
