

Colleen C Lamey

August 8, 1943 - March 23, 2017

Age 73 of North Oaks, MN died on March 23, 2017. Survived by husband, Mike; children, Jennifer (Samuel) Schultz and Jon (Lisa); grandchildren, Lexy, Lainey, Roddy, Bella, Maddie, Charlotte and Tommy; sisters, Gerri (Jake) David, Joan (Jack) McCourtney and Bonnie (Dale) Armstrong; brother, Robert (Marlys) Sheehy; nieces, nephews and friends. Preceded in death by parents, Herbert and Helen Sheehy and sister, Marion (Dick) Hruza. Colleen took pride in her children and grandchildren, her job as a banker for 40-plus years and the people she worked with and counted as friends. She loved shopping, finding a bargain, helping others by straightening out their check books, delivering meals on wheels and working on the board of the YWCA. She was tireless when it came to work, seeing that the job was done right. If someone made a mistake, she would say let's learn from it, correct it and it shouldn't happen again. Colleen spent 47 years keeping her husband happy, on his toes and made him feel he was the luckiest man on earth. Her 15 year struggle with Parkinson's was physically challenging, especially the last couple of years. But her spirit and determination never wavered. She endured more than one person should, but she always thought of others first - her kids, grandkids, friends and neighbors. Mass of Christian Burial Wednesday, March 29th at 11:00 AM (visitation 10-11 AM) at ST. ODILIA CATHOLIC CHURCH; 3495 N. Victoria St., Shoreview. Interment St. Odilia Prayer Garden. In lieu of flowers, please consider the Parkinson's National Foundation.

“ Please accept my deepest sympathy. Jesus called Death, SLEEP. Why? Because, The Bible promises the resurrection for our loved ones who have fallen asleep in death. John 5:28 "Do not be amazed this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out" How thankful we can be for the sure hope of seeing our dear loved ones again. My thoughts and prayers are with your family at this time.

“ Colleen and I grew up as cousins, I was the city cousin (from Minneapolis) and she the country cousin (from Cordova). Our birthdays were one day apart and in the early years our paths would cross when we visited our Grandparents farm close to where Colleen grew up, We spent a lot of time playing games and having fun outside at Grandpa and Grandma Sheehy's farm. Later our paths crossed again while attending College at Mankato State and attending relatives weddings and then at our own wedding celebrations too. Still more recently 15 years ago Colleen and Bonnie were on the same trip my husband, Karl, and I were on to England, Ireland, Scotland and Wales. That was when Colleen started getting sick was on that trip. Mike has been a loving, caring advocate for Colleen. She waited to find the right man to marry and she made a great choice. She will be sadly missed. May she rest in peace.

“ We worked together at the bank for ten and a half years. We were colleagues and friends. Colleen and I had not seen each other for a number of years but that was not an issue as we exchanged Christmas cards each year and were just a phone call away. I will always remember her boundless energy. Colleen will be missed by family and friends. Goodbye to the Irish Lass. Donna Westad

“ Mike, Jon and Jenn, we are so saddened by Colleen's death. She was a great woman and one hell of a fighter and we are so glad to have known her. Words fail us but know we are with you in this very sad time. God Bless.
