Collin Patrick Hume, 40, passed from our love and our lives on Wednesday, June 26, 2024. He is the much beloved son of Patrick and Sharon Hume. He is survived by his brother Kyle as well as many relatives, friends, and acquaintances. He is preceded in passing by his Grandparents Gordon and Mary Lou Linn as well as Grandparents Chester and Irene Hume. Collin was the first child born to the Humes's arriving on December 23rd, 1983 at Methodist Hospital in St. Louis Park Mn. He will long be lovingly remembered for his kind and gentle spirit as well as his generous and helpful demeanor. His love and gentleness with animals, of all kinds, is one of his greatest gifts. His cat, Tilly, misses him already as does everyone who had the privilege know and love him. His cremation and services will be held privately although we encourage any correspondence to be directed to Sharon or Patrick Hume. we plan on making a donation, in his name, to the animal shelter where he found Miss Tilly. Thank you all for your kind condolences. We will miss for all our lives.
