“ So deeply sorry to hear about Connie's passing. I grew up across the street from Connie on 17th Ave in Moline, Il. Although she was 6 years older than I, she very patiently played Barbies with me at her house, and I adored her. My mother, brothers and I share so many fond memories of Connie and her family. May God comfort you and lead you to a peaceful place. We are keeping you close in prayer.

“ I am so sorry to learn of Connie's passing. I have so many happy memories of growing up with Connie! Playing Barbies upstairs in your lovely home, riding all over town on her bicycle built for two (she was always the driver), the many sleepovers and just hanging out being great friends. I hadn't seen Connie since a class reunion when her youngest son was 4 years old, I think it was probably 15 years ago. It was great visiting with her then and regret the many reunions that she couldn't make it to. Again, I am so sorry for your loss.

*My deepest condolences to you all.

I'm so glad we got to see Connie this summer. It's so hard to believe she is gone. I will always remember her fun laugh and upbeat attitude. So many fun memories growing up. One fun one... as kids we would play on her bed (at the house on 27th Street) and pretend there were alligators on the floor! I am just so sorry. Bonnie Casper

Our thoughts and prayers are with all of you. I have wonderful memories of all of our fun times growing up together. She was always positive and ready to laugh. I always wished I could dance like her.

I had not seen Connie for many years however I still have great memories of her from Logan grade school and beyond. She was always smiling and was kind to everyone she knew. I would like to pass on my deepest sympathy to all of her friends and family. Rest in Peace Connie.
