“ Terry, Grace and Mya. I'm so sorry for your loss. You have been in my thoughts and prayers and will continue to be. Working with Conrad at Meadowbrook was such a joy. He loved his job, seeing all the children and visiting with the staff. He was such a happy person and was so proud of his recess duty! I gave him a hard time during the winter months and asked him 'where is your jacket?' because he was always too warm.

Conrad will be missed so much by so many; especially his Meadowbrook family.

May the perpetual light shine upon him and his soul rest in peace.

Love,

Cami

“ I am so sorry to hear of Conrad's unexpected death. It is an absolute shock. I was a teacher at Meadowbrook school where Conrad was a playground Para, and was Grace's third grade teacher. When Mya was in third grade, I taught her science and math. I had many conversations with Conrad and Terry and grew to love the entire family. I will remember two parents who loved their children and wanted the best for them. Please give Grace and Mya a hug from Mrs. Buechler. And Terry, I will keep you in my heart and think of you often. I pray for this next Journey to bring you some comfort as you mourn. Love,  
Mary Buechler
