“ Con was such a huge part of my life, growing up. I smile when I remember all of the fun gatherings we shared as families. I wonder if anyone truly knows the impact they have on a person? I certainly hope Con realized how he influenced me. He will be missed as deeply as he was loved by many. Rest in peace.

“ Our family also is sadden by the passing of Con, yet at peace and so very thankful. To have had Con and Betty touch and be part of our lives. When it was my turn to experience my husband's (Con's cousin) passing, Betty and Con were my rocks to cling to I could not have made it with them both. We have shared sad and wonderful times in trips south. Many "Happy New Years" and then the passing through in March or April, with many card games, lots and lots of fun. Thanks to both of you guys, what a gift you are to us. Our prayer now is that Con is in the Lords arms and Betty will feel God's grace, peace and love. We love you Betty, Mike and you girls, God Bless You all and all your families.

“ I am very saddened by this news but at peace too. As a child I have so many wonderful memories of Con as do all my siblings and our parents. We did so much with your family - water skiing, cookouts, camping, hunting, steaks every weekend. Too many memories to actually account for. I'll never forget when we went hunting out West when I was young and I couldn't shoot this one deer for the life of me and how he gave me such a jokingly hard time. But more than that I will never forget his love of family, wonderful demeanor, quick wit and genuine concern for those around him. A good man is gone and cannot be replaced. Thanks for all the great times Con - I will never forget you and the positive impact you had on my life. It is truly a gift to have known you, one that I will carry in my heart forever. May the angels keep you in their arms now. With much love and prayers to you, Betty, and your family. Mark Backlin
