“ *Conrad did such a wonderful job building our porch. Robert helped him so much. Both did so much work on our two bathrooms and attic.*

*We will certainly miss Conrad.*

*Anytime Robert wants to show off the porch to a prospective customer that would be fine.*

“ I was shocked to hear of Conrad's death. I was just about to call him for some more jobs around the house. He and his son did so much quality work for us last year. I always had a good time talking with him. He had a good sense of humor and was respectful of our home.

*Conrad will be missed by many people.*

“ I am very sad to hear of Conrads passing. I will miss him very much. Conrad came into my family's life after terrible tragedy. I want his family to know my family loved him very much. He brought us many laughs, smiles, but best of all his many skills and ability to fix just about anything and everything that was broken around my house. He built a beautiful porch for my mother. Everytime I sit in that porch I will think of Conrad. I have many great memories of Con. He did so many good things for my family. May God Bless all Conrad's friends and family.

“ Dear Robert, Nick and Sherry,

*I am saddened to hear about Con passing away. I really enjoyed getting to know Con while he was doing some handywork around our house. I also really enjoyed hearing the funny stories from when he and Nick were growing up and the fun times they had with my mom Lynda, my Aunt Judy and Uncle Rob. His laughter was contagious and will be remembered with a smile. My thoughts and prayers are with you during this difficult time. God bless.*

“ I was very saddened by the loss of Conrad...He was always kind and friendly to me. "No one is perfect but it is how you treat others that you are remembered"

*I will remember him from the battle of the jug bands 2005 - We laughed about old times in High School when he met Bob...We were sad talking about Jason...We hugged and said "Good Bye"*
