

## Conrad Gustaf Nelson

August 31, 1927 - March 31, 2021

Conrad Gustaf Nelson, age 93 entered the gates of heaven on March 31, 2021. He is preceded in death by his daughters Melanie and Karen. Conrad is survived by his wife Marilyn, son Jim (Cherie) Nelson, son-in-law Dan Cooke, 6 grandchildren, 6 great grandchildren and many nieces, nephews and friends.

Conrad was a Navy Veteran, served in WW II and in the Korean War as an Air Traffic Controller. He was an active member of Mount Hope Lutheran Church in Bloomington since 1960. He served on various committees and church council and directed the Senior Choir for many years. He loved to sing and was a member of The Bach Society of MN, ASI Male Chorus and the Augsburg Centennial Singers. He enjoyed fishing, bowling, and golfing (although he would admit he was probably the worst with a handicap that was off the charts).

Memorial contributions may be made to Mount Hope Lutheran Church, Save the Boundary Waters, and Fisher House Foundation. A private family ceremony will be held this week and a Celebration of Life later this year.
