“ Dear Nick & Sharon,
I was so sorry to see that Connie passed away. My family and I spoke to him last spring when he called us. My name is Karen Norberg and my husband Nick who passed in Dec. 2011 had worked with Connie at Erickson Corp. and they became very good life long friends. He and Samar were happily married for only a short time. We were so sad to hear of Samar's death. I'm sure Connie was very lonely after she passed. They were such a nice couple. I felt so bad that I could not come to the graveside service today, but I send you my deepest sympathy on your great loss. I can only think that Connie is with all those who went before him. Perhaps Connie and Nick are golfing in the big sky! I send my thoughts and prayers to you and all who morn for Connie.
With God's love and mine, Karen
