“ I am so Thankful to have been loved by Connie and Frank Luebesmier. It seems like I've always been part of this family! I remember there was always an extra plate at the table , a hug or the question of "where are you going tonight" before the teenagers left the house! Connie it's hard to say good bye and I will miss you dearly but I know you and Frank are together and there's a Polk playing just for you! Thank you Connie for taking me in as one of your many other kids, I have so many wonderful memories! I ♥ you!!! Kathy Giering
