“ *I've only been with Connie, once or twice in my life, years & years ago.  
But, recently, it was her 90th Birthday, & I asked my brother, Steve, to wish her a Very Blessed Birthday & he gave her a hug from me, too.  
And she said: " It was very nice of her to think of me."  
That exemplifies to me:  
How very kind , empathetic, thoughtful, & caring, she was.* ”

“ What a lovely woman Connie was! She welcomed me when I was a new teacher in Brooklyn Center and she always showed interest in and caring about others, in addition to students and staff she worked with directly. I am privileged to have known Connie. My condolences to the Engstrom and Heruth families.

“ For more than 30 years, she touched hundreds of special needs children. We developed a and developed a life-long friendship. Her sense of integrity, honesty, and responsibility could not be matched.
