“ Cora was my 4th grade teacher at Gardena Elementary. I loved her, as did everyone else! I never forgot her and then she showed up at my dad's visitation 26 years ago. She said she was driving by the funeral home and saw the name on the marquee- it was an unusual last name, so she thought it might be us. What a thoughtful gesture- one I will never forget. Peace to her and to her family. Kim Bauer [Basher]
