“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, we have assurance from the Bible that "death will be swallowed up forever" at Isaiah 25:8. It is my hope your family will find strength to endure during the days ahead.

I worked with Corey for about 20 years and he became a trusted friend with a good sense of humor and always ready with a funny comment. I could always count on him to help me any time when needed. I will miss him as an employee but I will miss him much more as a friend. My deepest sympathies to Chris and all Corey's family. Tom Flaherty
