“ I fondly recall holidays and Shabbat dinners spent with the Neuman and Sigel families. Corky was so very warm and welcoming, and always sent us on our way with enough food for the week! She was an amazing woman, full of energy, easy to talk to and devoted to her family. She will be lovingly remembered.

“ I must admit that, even in the midst of my sadness in seeing Coryky's name, my face lit up in a smile when I saw her picture - which is what I always did when I would see her at family gatherings or in the community. I always felt good when I saw Corky - she had that affect on people - a rare and true gift. My prayers for strength and healing are with you.
