“ I worked with Cory for many years at PMS/PMC/Gannett. He was a great guy. In recent years--Jane Kibler, Cory and I would drive together to Rogers for the PMS retired group for lunch. I also saw Cory in Hy-Vee at times--I worked there. I am sorry for your loss. And, I am sorry I did not know how to send a message sooner. In prayer and sympathy.

“ Our condolences and prayers are with you and your family. Cory was my dad (Claire's) cousin, and was a half generation older than me, but I recall many Christmas Days at Grandma Harn's house together. Cory called her 'Auntie Net', my mom (Marjorie) tells me. We would all be crowded together in her basement feasting and celebrating the holiday when the Likness clan would arrive to additional fanfare, hugs and good wishes. Grandma always fretted about them driving on icy roads, so once they arrived it was reason to celebrate another safe year of gathering the family all together. Those gatherings are a special memory for me and I hope all your special memories of Cory will give you solace in this difficult time.
Love, Denise (Harn) DuBois and Marjorie Harn
