“ Dear Jean,

I'm am so sorry to hear about the passing of Craig, you have had to endure more that any Mother could and it's not fair. I just want to say that your sons were good friends of mine and they will be sadly missed by many who knew and loved them. I wish there was something i could say to make some of your pain go away but there is not. I want to let you know that you did a good job being a mom to the boys and it is all in God's hands. You are in my thoughts and in my prayers . Sincerly, Michael Olson an old friend.

“craig was my best friend and husband for 6 years. i loved him with all my heart and will always have a place for him there. my thoughts of him will always be of his kindness and good heart. he made me laugh with his wonderful sense of humor. he was very loving and caring and will be missed by me, and i am sure by many people, very much. i don't believe that he even knew how much he meant to so many people.

“ I knew Craig since he was five years old. He always had a special place in my heart; he just loved being outside and doing everything a boy likes to do. He was always a polite kid and a kind person. While he will be missed so very much here, I'm sure he is celebrating his new eternal home with The Lord.

“ Jean, both Cheryl and I cannot fathom your loss. We can only hope that the pain will dissipate by the love and caring of family and friends that surround you. Our Lord and savior will also be by your side to help console you in this time of your need. We are there for you no matter the time or need by you. You are remembered in our prayers to help give you the strength and fortitude to climb this hill of devastation and look for the pleasant and positive sides to life .
