“ I have known Craig and his entire family all my life and was very shocked when my sister told me of this. Since I will not be able to attend services, I will be thinking and reminiscing of many fond memories as we grew up together. May God welcome Craig on his new journey. My condolences and prayers goes out to the family.

“ *Arguahhhhhh as said by Tim "the Toolman" Taylor. On the stairway to heaven to a place everyone knows your name. All in all your just another brick in the wall. Rock an roll all night and party everyday my friend.-- Marge I met " Grady" in 1990...I have lots of memories of him...he was the handyman who could fix anything and would help anyone. (just don't have him work on your car). He introduced me to auctions and derbys. recycling before it was popular. One of my fondest is the double ferris wheel at the state fair. His many adventures and misadventures(Kenny from back in the day). He is going to be greatly missed, I will always have a space in my heart for him and his family. RIP my friend, I will see you on the other side !! You won't ever be forgotton there are to many people who will remember.*
