“ I extend my sympathy to the family of Currine (Sagedal) Hitchcock. In 1994, two years after the Sagedahl Reunion in Brooten, while visiting with my mother Opal (Cornell) Sagedahl I asked her where she wanted to go. She said, "Could we drive to Roseville to visit with Currine I haven't seen her since the reunion." I was fortunate to be able to drive her to Roseville for a visit. Currine and she did a lot of reminiscing about the Sageda(h)ls. A lot of "remember when," Norwegian chatter and laughs! A good time was had by all! Sherwood Sagedahl, A 1st Cousin.

“ So sorry to hear of Currine's passing! She was such a wonderful person and always had a smile. My mom, Ida, always loved visiting with her and reminiscing about the Sagedahl family! Sincere sympathies to Barb, Dennis and David and the rest of the Hitchcock families! I will always remember Currine and fun memories we had with her and her family!

“ I have so many memories of Currine from my years at Eaglecrest. The residents of the third floor of the Commons were my primary responsibility for many years, as a nurse, and Currine was always a pleasure to visit. She always welcomed me with a smile and we had many conversations together. With sadness I read her obituary yesterday. Thinking of your family as you mourn her passing and cherish the memory of her.

“ I am saddened to learn of Currine's passing. I have many pleasant memories of Currine, Jay, Dennis, Barb, Jay and Patty. Her loss marks the end of my father's siblings - a passing of a generation. It has been a long time since I lost contact with the Hitchcock family but I remember Currine as a strong, cheery and kind woman. Please accept my most sincere condolences on Currine's death.
