“ I sponsored Curt into Arcana Masonic Lodge in the late 1960s where i believe he went on to become the Master of the lodge and, if my memory serves me correctly, he proceeded to go on to 32 degree Scottish Rite and also through the York Rite. We almost purchased his Jaquar from him! He bought my Gitane racing bicycle from me and also later our Simca aluminum bodied car. Curt had a Hoffman 250cc opposed cylinder motorcycle that he and Cathy were riding on with us one day and he took a corner wide, went down sliding a ways on the pavement. Thankfully, Neither Curt or Cathy were seriously hurt. I believe they got rid of the motorcycle shortly thereafter. I recall getting a call from Curt when Kelly was born. We used to get together quite often with Curt and Cathy and they visited us many times when we had our swimming pool on Upton Ave. in Mpls. years ago. Curt played an upright base fiddle in our band also many times!
